FRIDAY - SATURDAY

November 6-7, 2020

Management Strategies in Early and Late Stage Head and Neck Cancer

REGISTRATION FEES

\$400 Physicians

\$250 Advanced Health Professionals

\$150 Residents/Fellows

The goal of this conference is to outline practical treatment strategies for patients with early and advanced head and neck cancers. The multidisciplinary approach to care will be featured along this spectrum. We will address topics relevant to practitioners involved in the diagnosis, management, surveillance, and supportive care of these patients. Impacts to practice as a result of COVID-19 will also be discussed.
