VIRTUAL
SYMPOSIUM

Head and Neck Cancer Survivorship Symposium

PROGRAM GOAL

The purpose of this symposium is to provide fundamental information necessary for a comprehensive approach to survivorship care of head and neck cancer patients. This symposium is intended to improve health care providers' ability to deliver high-quality survivorship care to the growing population of head and neck cancer survivors.

Course Directors:

Marci Nilsen, PhD, MSN, RN

Jonas Johnson, MD

Audrey Hayward, PA-C
